SPRING CLINICS *(optional)*

Recommended 90 minute clinics help get your swimmer ready for Rec. Focus on all 4 strokes, starts, transitions, sprints and diving. \$25 per swimmer per clinic. See webpage for details.

The job the coaches do at these meets for our kids is above and beyond anything I have experienced in sports. They are teaching by example how to be patient, deal with stress, and work with circumstances beyond your control – lessons we all should observe. The structure and support provided by your coaches takes an environment with a lot of opportunity for chaos, concern and anger, and turns it into a time for kids to have fun, make friends, and gain confidence.
